I am familiar with the firm's practice for collecting and processing of correspondence for mailing. Under that practice it would be deposited with the U.S. Postal Service on that same day with postage thereon fully prepaid at San Jose, California, in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after the date of deposit for mailing in affidavit.

I declare under penalty of perjury, under the laws of California, that the foregoing is true and correct.

Executed on October 12, 2007, at San Jose, California.
